

# Term III 2022

## CERTIFICATE IMPACT PROGRAM

CREATING EQUAL ACCESS TO  
QUALITY EDUCATION

### WHO WE ARE

The European Business University (EBU) is a non-for-profit online and on campus business school dedicated to fulfilling the University's primary educational mission of sustaining a tradition of academic excellence and ensuring a world-class education, also provided to students who cannot afford the cost of education.

### WHY

The overall aim of the EBU Certificate Impact Program is to contribute to the Sustainable Development Goals in education. EBU aims at targeting the learning deficit by enabling students to take part in university programs.

The Certificate Impact Program is structured to give the scholarship candidates a chance to enroll and acquire knowledge in over 25 certificate courses that will be available in various terms of EBU's Academic Year. [Course Catalog](#).

### STUDENTS

EBU has enrolled over 6000 students in the Certificate Impact Program with these students coming from 110 countries all over the world

## COMITTMENT FEE

---

The certificate courses are valued at 740 euros and the candidates who get the scholarship awards coming through non-profit organization are required to make a commitment fee of 20 euros. This commitment fee is important to keep the students committed to the actual course work. The fundings for this program come partially from the Luxembourgish government, therefore, having a positive completion rate is important for maintaining the access to fundings.

---

## ENROLMENT OPTIONS-FOR ORGANIZATIONS

### 1. Student Lists:

Here we kindly ask you to upload your student lists in the excel (not pdfs) template format that is also uploaded in your respective Drive Folder. As soon as we get a list of students our enrollment specialist @Ann Matati will enroll the students and send you an invoice for them.

### 2. Coupon Code

Here students would need to self enroll to the learning platform themselves. EBU will provide a letter with teh enrolment steps and a coupon code to be shared with the potential candidates.
